Please Note:

As you know, there is no school on Monday, January 20th. This is a teacher workday. We will have school on Tuesday, January 21st, but Southwestern does not have school on this day. They have a teacher inservice scheduled.

Since they do not have school, we will not have bus transportation that day. You will need to provide transportation for your child to and from school on this day.

2025 Pizza Sale:

I hope you have been enjoying the pizzas that you purchased from our fundraiser. St. Joseph School and parish is known throughout our diocese for volunteers who work together to support our school, and this was no different.

We just keep growing every year thanks to your great work. This year 1,464 pizzas were made in one day and we had a profit of \$10,274.71 for this fundraiser. Great job and thanks everyone! A special thank you to our PEC and to Travis & Stephanie Tranel for organizing the supplies and production of the pizzas.

The profit from this fundraiser will help the 7th and 8th students pay for their class trip and the rest will help with our school activities.

Annual Fund Donations:

Donations are still being accepted for the 2024-2025 St. Joseph Annual Fund Drive. The donations that are received go right back to the school, so your donation is helping our students. Over the years, the St. Joseph Annual Fund has purchased many academic materials for our students as well as made numerous capital improvements to our school building.

If you donate before February 28th, your donation will be matched by an anonymous donor. Please consider donating. Any donation will be greatly appreciated.

Refrigerator Need:

Our St. Joseph Athletic Association is looking for a refrigerator for the new concession stand that has been built. If you or someone you know has one that they don't use or would like to get rid of and would like to donate it to the school, please call Miss Wills or Tiffany Rupp. Thank you.
