

SAINT JOSEPH'S CATHOLIC SCHOOL

Newsletter #5-October 6, 2023

Mulligan:

Thanks to everyone who donated towards our Mulligan classroom baskets. The proceeds from these baskets go right back to our students, so we appreciate your help with this activity.

Stop by the Silent Auction tables the day of the Mulligan and check out all the baskets. You may want to bid on one of them.

Football Mania:

Our winner for week #3 of Football Mania is Laura Ricke who won \$20. Russ Tomkins is our \$20 winner for Week #4 of Football Mania. Congratulations.

No School:

Remember that there is no school next Friday, October 13th.

Blood Drive:

Thanks to everyone who donated to the St. Joseph School Fall Blood Drive. We had 17 units of blood donated from our drive. We are getting closer to our goal. These donations will help save the lives of 51 people in our area who may need blood. Thanks to everyone who made our blood drive a success.

Raffle Tickets:

Please finish selling your Mulligan raffle tickets and turn them into the office by Thursday, October 12th. If you need extra, let me know. I have more in my office. You may also turn them in the day of the Mulligan. Thank you for your help with this.

Dress Code:

As you read in your Parent/Student Handbook that you received at registration, the season for wearing shorts in school is over on October 15th. With the weather getting colder, the students need to wear appropriate clothing to school.

Our policy at St. Joseph School is that the students will go outside for recess unless the temperature is below 10 degrees.

Circle of Grace Lessons:

At some time during the next month, the teachers will be teaching the Safe Environment “**Circle of Grace**” lessons to their students in grades Kindergarten through 8th. These lessons were created by the Diocese of Omaha and adopted by the Diocese of Madison to educate and protect the health and safety of all children. Every Catholic school in our Diocese will be teaching these lessons to their students as well as to the students attending religious education programs.

These lessons include discussing trusted adults, identifying boundaries, respecting others, cyber bullying, and more.

If you have any questions or would like to see a copy of the lessons that are being taught, please let me know. They are online or you can stop in my office and look them over. I would love to share these lessons with you.
