

SAINT JOSEPH'S CATHOLIC SCHOOL

Newsletter #6-October 9, 2026

Mulligan:

Our St. Joseph Parish Mulligan is just around the corner. All K-8 families should have received a worklist last week in your Friday Folder for the dates and times that you are listed to work. Please contact the office if you misplaced your worklist.

Football Mania:

Our Football Mania winner for week #4 is Betty Wubben. Betty won \$50. Congratulations.

Raffle Tickets:

Please finish selling your Mulligan raffle tickets and turn them into the office by Thursday, October 15th. If you need extra, let me know. I have more in my office. You may also turn them in the day of the Mulligan. Thank you for your help with this.

Early Release:

Remember that Friday, October 16th is an early release day. The students will be dismissed at 12:30 p.m.

The buses will run in the morning, but students must be picked up at 12:30. Let me know if you need any assistance with this.

THANK YOU!

A big THANK YOU to all our families who volunteered and helped make the volleyball tournament a success. We couldn't have done it without you!

We are also incredibly grateful to our generous donors: Gasser Grocery & Hardware; Empowerment Counseling; Die Makers; Twin Oaks; Berning Livestock; Tri-State Fitness; Veterinary Associates; Lin Tranel; and Marian Runde.

Thank you for supporting our players, families, and volleyball league!

Blood Drive:

Thanks to everyone who donated to the St. Joseph School Fall Blood Drive. We had 14 units of blood donated from our drive. We are getting closer to our goal. These donations will help save the lives of 42 people in our area who may need blood.

Thanks to everyone who made our blood drive a success.

Scrip:

The Scrip program had a profit of \$324.64 for the month of September. Thank you for using Scrip.

Circle of Grace Lessons:

At some time during the next month, the teachers will be teaching the Safe Environment "Circle of Grace" lessons to their students in grades Kindergarten through 8th. These lessons were created by the Diocese of Omaha and adopted by the Diocese of Madison to educate and protect the health and safety of all children. Every Catholic school in our Diocese will be teaching these lessons to their students as well as to the students attending religious education programs.

These lessons include discussing trusted adults, identifying boundaries, respecting others, cyber bullying, and more.

If you have any questions or would like to see a copy of the lessons that are being taught, please let me know. They are online or you can stop in my office and look them over. I would love to share these lessons with you.
