

SAINT JOSEPH'S CATHOLIC SCHOOL

Newsletter #17-January 31, 2025

Catholic Schools Week:

Wow! Catholic Schools Week-2025 was a great week. Our Living Rosary was awesome! It was so neat to see all of the students from 3K-8 gathered in the candle-lit gym praying the rosary. Everyone was very respectful.

Our St. Dominic Pastorate Day was new this year. It went very well, and it was neat to see over 300 students celebrating Mass together. I was so proud of our St. Joseph 6th, 7th, and 8th grade students who volunteered to take part in the Mass. The planning for this day looked good on paper, but a special thank you goes out to all the teachers in our pastorate for making everything happen and planning the different activities. We had some tired teachers and kids, but I think they had fun.

Our All-School Family Mass was great! It was nice to share pizza with everyone. I think some of the students could have played BINGO all afternoon.

Of course, bowling is always fun for both young and old. The bean bag tournament was a big hit last year, so we brought it back again this year.

Thanks to the teachers for all their extra work preparing for our activities. Thanks to our cook, JoEllen, for her extra work and time with food preparation for everyone this whole week. Thank you to Father Peter for all his extra work with our Masses. Thank you to our hard-working 7th and 8th graders for setting up the gym and cafeteria for all the different activities. Thanks to our PEC for setting up the Teacher Appreciation Day activities and treats. Lastly, thanks to our parents for your support this week and throughout the year. We are so blessed.

2025-2026 Pre-Registration Forms:

The registration forms for the 2025-2026 school year are due. If you haven't turned your slip in, please do so by Monday. We ask that you turn them in even if your child is not returning or if you are undecided at this time so that we can begin planning and budgeting for the next school year. Thank you.

Thank you for Helping:

Thank you so much to all our "lunch lady" volunteers who came in during these last three weeks to help while JoEllen was recovering from her meniscus surgery. JoEllen is doing great! She has to keep her brace on for a few more weeks, but she is getting stronger each day. We appreciate all you do to help our school and our students.

Vision and Hearing Testing:

Casey, our school nurse, will be conducting vision and hearing tests on Wednesday, February 5th. Casey will be conducting vision and hearing tests for students in grades 3K-5.

Mark Your Calendar:

2/2-Basketball Games at Lancaster
2/5-Vision and Hearing Testing
2/8-League Tournament at Cuba City MS/HS
2/14-PEC Valentine Dinner

Have a good weekend!
