

SAINT JOSEPH'S CATHOLIC SCHOOL

Newsletter #14-January 30, 2026

Catholic Schools Week:

Catholic Schools Week-2026 was a cold one, but we had a wonderful week. Our Living Rosary was awesome! It was so neat to see all the students from 3K-8 gathered in the candle-lit gym praying the rosary.

Our St. Dominic Pastorate Day was a day filled with faith and fun. We started our day with Mass. It is truly humbling to see over 300 students and staff celebrate the Eucharist together with Father Joseph, Father Tom, and Father Greg. After Mass we joined together in the school for a day filled with games and activities.

Our church was packed for our Family Day Mass. It is so cool to see different generations of families join together to celebrate Mass. Father Joseph had a beautiful homily where he shared the history of our school and how generations of families have supported and dedicated their lives to keep St. Joseph School operating in order to provide a Catholic education to everyone. Many families were able to join us for lunch and Bingo after Mass.

Of course, bowling and bean bags are games that the students always enjoy. I think most of the students can truly say that they had an enjoyable week.

Thanks to the teachers for all their extra work preparing for our activities. Thanks to our cook, Miss Beth, for her extra work and time with food preparation for everyone this whole week. Thank you to Father Joseph for his extra work with our Masses. Thanks to our PEC for setting up the Teacher Appreciation Day activities and treats. Lastly, thanks to our parents for your support this week and throughout the year. We are so blessed.
