Newsletter #23-April 12, 2024

Congratulations Poster Winners:

St. Joseph School did an awesome job this year in the Grant County Land and Water Conservation Department poster contest. We had winners in all four groups.

In the K-1 Group, Sophia Lee was awarded 1st place; Theodore Berning earned 2nd place; and Quinn Tranel received 3rd place for their posters. In the Grade 2-3 Group, Meadow Tranel received 3rd place for her poster. In the Grade 4-6 group, Louis Berning was awarded 1st place and Layla Rosenthal earned 3rd place on their posters. In the Grades 7-9 group, Peyton Busch was awarded 1st place and Braeden Berning earned 3rd place for their posters.

Sophia's poster moved on to the Area Level where she was awarded 3rd place. Our winners will be receiving a certificate along with a cash prize for their work and effort.

We have some talented students at St. Joseph School. Each year I try to get the students into different contests to help them discover some of their hidden talents. With a little hard work and extra effort, they can do very well. Great job everyone!

Area 5 Track Meet:

The Catholic schools in Area 5 will be holding a track meet that the students in grades 4 through 8 can participate in. This year it will be held at Lancaster High School on Wednesday, May 1st.

Please talk this over with your son or daughter to see if they are interested in participating in this track meet. I will be asking the students on Monday if they would like to participate and which events they would like to compete in.

Fee Balances:

In your Friday Folder you will find an invoice if you have any remaining fee balances. We ask that you complete these balances by the end of the school year. Please check your records to make sure there are no errors. Call me with any questions you may have. Thank you.

Spring Concert:

Our 2024 Spring Concert will take place on Tuesday, April 30th at 6:30 p.m. in the school gym. Feel free to invite grandparents and friends to this enjoyable evening.

We will be having a social gathering following the concert. Please bring some cookies or bars to share with everyone. Beverages will be provided.

St. Joseph Yearbooks for Sale:

Father Peter has been working hard to create a St. Joseph School Yearbook for our students. The yearbook is in full color and features all our students as well as our graduates from last year. The cost of each yearbook is \$15.00. These yearbooks make great keepsakes of your memories at St. Joseph School.

Please see Miss Wills in the office to purchase your copy.

A special thanks goes out to Father Peter for giving of his time to create the yearbook for our students.

Spring Weather:

As stated in the handbook, the students are permitted to wear shorts when the weather is warmer starting Monday until the end of the school year. As you know, with weather in Wisconsin, it can be chilly in the morning and then warm in the afternoon. Please remind the students to pack a sweatshirt in their backpacks or dress in layers. We will be going out for recess unless it is raining.

Many of the students have grown since last October, so please make sure that you check the length of their shorts to make sure they are appropriate for school.

Remember that there is Mass on Tuesdays and Fridays. Even though Mass is taking place in the cafeteria right now, the children need to wear appropriate clothing for Mass. They can bring shorts to change into after Mass.
